

IN MOTION – Equipment Setup Pricing

Overview

IN MOTION provides mobile parkour equipment setups designed for workshops, school programs, and event activations, both outdoors or indoors.

All setup packages include delivery, assembly, pack down, and return of equipment.

Important Information

- All prices listed include equipment hire, loading, setup, and pack down
- Local transport is included (standard vehicle use only; van hire not included)
- Equipment is maintained and safety-checked prior to each booking
- Packages can be adjusted to suit specific spaces and event requirements

● Baby Bear Setup – \$500

Best for: Small groups, beginner sessions, limited space

Includes:

- 1x Small vault box
- 2x Tyres
- 1x Tyre + balance pole setup
- 2x Scatter mats

Notes:

- Transported via standard vehicles (no van required)
 - Suitable for all ages but is more of a beginner setup
 - Ideal for foundational workshops and low-impact sessions
-

● Mumma Bear Setup – \$800

Best for: Medium groups, structured workshops, increased variety

Includes:

- **1x Dismantlable parkour table (padded)**
- **2x Tall vault boxes (top padded)**
- 1x Small vault box
- 2x Tyres
- 1x Tyre + balance pole setup
- 2x Scatter mats

Notes:

- Provides a more dynamic and engaging setup
 - Suitable for all ages
 - Suitable for intermediate-level sessions and movement flow
 - Requires van transport (not included in price)
-

● Pappa Bear Setup – \$1050

Best for: Workshops, classes, school groups, small events and immersive parkour experiences

Includes:

- **2x Dismantlable parkour tables (padded)**
- 2x Tall vault boxes (top padded)
- **1x Medium vault box**
- 1x Small vault box
- 2x Tyres
- 1x Tyre + balance pole setup
- **1x Incline movement block (ramp)**
- **4x Scatter mats**

Notes:

- Full-scale mobile parkour setup
 - Obstacle-focused layout designed for movement-based activities and skill progression
 - Suitable for workshops, classes and structured group sessions
 - Ideal for indoor spaces and controlled outdoor environments
 - Suitable for a wide range of ages and abilities
 - Requires van transport (not included in price)
-

● Goldilocks Setup – \$1400

Best for: Council activations, community events, festivals and high-capacity public experiences, full parkour experience!

Includes:

- **1x 8 metre x 2 metre inflatable AirTrack**
- **1x 6 metre x 1 metre inflatable AirTrack**
- 2x Dismantlable parkour tables (padded)
- 2x Tall vault boxes (top padded)
- 1x Medium vault box
- 1x Small vault box
- 2x Tyres
- 1x Tyre + balance pole setup
- 1x Incline movement block (ramp)
- 4x Scatter mats
- **9x Puzzle mat flooring**

Notes:

- Premium mobile parkour activation setup
- Designed for high-throughput public events and beginner-friendly participation
- AirTrack provides additional landing space and increased safety for younger participants and event environments
- Ideal for council events, festivals, community activations and large-scale public workshops
- Suitable for all ages and skill levels
- Requires van transport (not included in price)
- Access to a standard power outlet is required during AirTrack inflation/setup
- Portable generator hire can be arranged at additional cost if power access is unavailable

Van Hire (if required):

Additional cost depending on duration and location

Small Generator, (if required)

Additional cost depending on duration and location

Coaching & Workshop Delivery

Workshops and coaching are priced separately based on session duration and group size.

All coaches have working with Children checks. The lead coach will usually be first aid qualified too.

Recommended ratio:

- 1 coach per 10 participants

Pricing Guide:

- Lead coach: \$70 per hour
- Additional coaches: \$50 per hour (each)

Example:

- 20 participants = 2 coaches required
- 1-hour workshop = \$120 total coaching cost

Coaching requirements will be confirmed based on group size and session structure.
